

## THE MID DEVON MEDICAL PRACTICE CERTIFICATE OF COMMITMENT

We promise to;

- 1) Provide a positive attitude towards breastfeeding
- 2) Welcome mothers to their venue (where appropriate) however they feed their baby
- 3) Ensure all employees/volunteers are aware of the scheme and have read the Essential Information for staff and volunteers document provided as part of the pack
- 4) Display the Devon Positive about Breastfeeding certificate of commitment in your premises.
- 5) Make sure all staff are aware of the law in relation to mothers breastfeeding in public and recognise that a mother is entitled to breast feed or bottle feed her baby in public and therefore neither should be asked to stop.
